

Nucleus

Organelle	Person/Place/Thing	Compare this organelle to a:
		
		<p>What would happen if this organelle went on vacation?</p>

Cell Membrane

Organelle	Person/Place/Thing	Compare this organelle to a:
		
		<p>What would happen if this organelle went on vacation?</p>

Cell Wall

Organelle	Person/Place/Thing	Compare this organelle to a:
		
		<p>What would happen if this organelle went on vacation?</p>

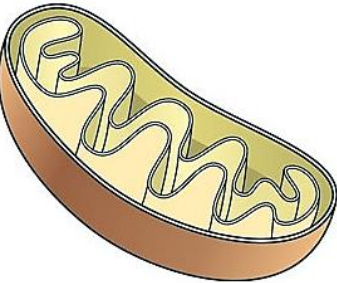

Ribosome

Organelle	Person/Place/Thing	Compare this organelle to a:
 <p>Protein</p>		
		What would happen if this organelle went on vacation?

Chloroplast

Organelle	Person/Place/Thing	Compare this organelle to a:
		
		What would happen if this organelle went on vacation?

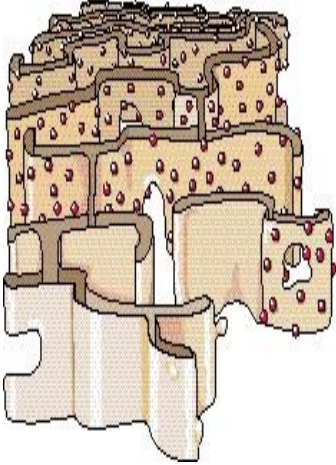

Mitochondria

Organelle	Person/Place/Thing	Compare this organelle to a:
		
		What would happen if this organelle went on vacation?

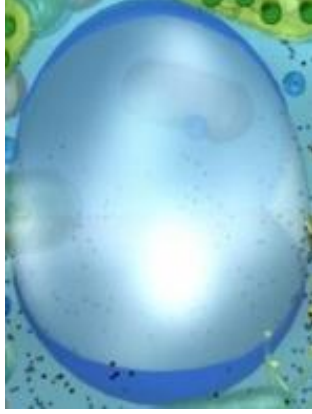

Golgi Body

Organelle	Person/Place/Thing	Compare this organelle to a:
		
		<p>What would happen if this organelle went on vacation?</p>

Endoplasmic Reticulum

Organelle	Person/Place/Thing	Compare this organelle to a:
		
		<p>What would happen if this organelle went on vacation?</p>

Vacuole

Organelle	Person/Place/Thing	Compare this organelle to a:
		
		<p>What would happen if this organelle went on vacation?</p>
